ABOUT THE AQUARIUM

Spanning 350,000 square feet with over 1.5 miles of trails, Johnny Morris' Wonders of Wildlife National Museum & Aquarium takes you on a journey through immersive habitats that entertain and educate while sharing the story of America's most significant conservationists throughout history and today. The experience celebrates those who hunt, fish, and act as stewards of the land and water. Located next to Bass Pro Shops National Headquarters in Springfield, Missouri, the campus is a centerpiece of America's Conservation Capital in Missouri's Ozark Mountains.

ABOUT THE PARK

At Dogwood Canyon, we aim to inspire the next generation of conservationists and outdoor enthusiasts. Our 10,000acre outdoor paradise offers a variety of outdoor educational activities. Featuring some of the most breathtaking views in the Ozarks, students can explore nine miles of nature trails and six miles of paved paths. Don't forget to visit our educational Nature & Conservation Center and the treehouse built by Animal Planet's TV show, Treehouse Masters.

ABOUT THE ATTRACTION

Located on the highest elevation point in Taney County overlooking Table Rock Lake, Top of the Rock Ozarks Heritage Preserves showcases Missouri's rich history and intrinsic beauty. Bring your students to the Anicent Ozarks Natural History Museum to explore our region's history from prehistoric megafauna to Native American heritage and the Civil War. For an outdoor nature experience, tour our Lost Canyon Cave and Nature Trail on a self-guided golf cart ride or by foot with an interpretive guide.
